

Supercharge Revenue with Advanced Analytics

Leverage Market Insights, Comp Sets, Owner Insights, and Search Powered Insights to consistently refine your strategy. Turn real-time data into action by optimizing pricing, enhancing marketing, and boosting booking conversion.

Unlock Insights Pro today 

Key Market Insights

- ▶ Access market analytics like bookings by channel, occupancy, average daily rates, weekly booking activity, and more powered by partner data
- ▶ Gain insights into popular amenities, policies, and fees with historical and pace data from Airbnb, Vrbo, and Booking.com

Custom Comp Sets

- ▶ Monitor the competition with custom listing maps sourced from the latest OTA data
- ▶ Create custom comp sets for your own listings or explore new markets

Owner Insights

- ▶ Customize reports with relevant KPIs, AI insights, and market comparisons
- ▶ Maintain stronger relationships with easy-to-share reports, showcasing the latest performance data

Search Powered Insights

- ▶ Use direct booking website data to identify guest preferences for amenities, stay lengths, and stay dates
- ▶ Refine listings and marketing strategies based on real-time guest search data
